Dedication . . .

The person being honored with the dedication of the 1978 CHOWANOKA first came to Chowan College twenty-one years ago. Since that time she has rendered the college continuous service in her dual role of "First Lady" and professor in the Department of Religion and Philosophy. Hundreds of students have been the recipient of her genuine friendliness, her wholesome attitude, and her dedication to service in the field of teaching.

Her willingness to share with others demonstrates the unselfishness which is endearing to all who know her. In the classroom and on the campus, this professor maintains a sincere regard for the high principles upon which this institution was founded and upon which rests its continued success and monumental growth.

It is in grateful acknowledgment of her faithful loyalty, her steadfast dedication to teaching and to students, and her sincere interest in Chowan College that we dedicate this volume of THE CHOWANOKA to Esther Adams Whitaker, hoping hereby to express in some small measure our great love for her.

Cross Country

In a word Cross Country means *miles!* To run Cross Country you must be mentally strong enough to accept the physical pain of 8 to 15 mile workouts, and you must have a team. Hard work, constant training and an experienced coach make a good team. But when you've got an added plus — talent — your good team becomes great, and Chowan's team was just that, finishing the season with a 10 and 4 record and a 3rd place finish in the Region Ten Cross Country Championship.

Bravettes In Action

The Chowan College 1977 Varsity Volleyball Team finished its season by winning third place in the NJCAA Region X Volleyball Tournament at Peace College in Raleigh, NC and by placing two girls on the All Region X Volleyball Team : Mary Franklin, hitter and Nancy Williams, setter. The overall record was 8 wins and 11 losses.

This team was led by Co-Captains, Nancy Williams and Patty Woodland. Although the squad was evenly split between freshmen and upper classmen, the starting team was predominately sophomores.

Prospects for next year look good, but it will be a rebuilding year for us. We have one starter returning, Shema Payne, and several freshmen off the second team who were just beginning to develop into steady volleyball players at the close of the season. Our problem will be setters. We lose all four off this years team.

CAPTAIN

Chowan entered the 1977-78 season with a group of talented, but inexperienced wrestlers. Injuries and academic difficulties shackled the team first semester. The team entered Christmas break with a dismal 3-4 record.

The Braves matmen regrouped spring semester and produced Chowan's first winning season in wrestling. Their dual meet record was 11-6 with wins over four major universities and undefeated in junior college competition. The team placed 3rd in the seven state Mid-Atlantic Junior College Region behind Middlesex, N.J. and Keystone, Pa. Chowan crowned three regional champions, Mike Ferrara (142), Roger Randall (150), and Dan Kraft (158). All of the regional champions scored at least one victory in the Junior College National Championships with Mike Ferrara (142) finishing in the top eight, nationally.

The 1977-78 squad was led by two-time Mid-Atlantic Regional Champion, Dan Kraft (20-5); sophomore Ramon Collins (17-9); and a sensational pair of freshmen from Rancocas Valley, N.J. Mike Ferrara (23-5) and Roger Randall (21-6-1). Other lettermen were sophomores Mike Copperthite (4-17), Doug Crowder (5-18), and freshmen Garland Mosley (6-8), Donnie Upton (7-10), Terry Howell (5-6), and Danny Allen (7-16-1).

Wrestling News

Chowan's three Mid-Atlantic champions returned from the National Championship's held in Worthington, Minn. March 2-4 weary and disappointed.

Coach Nelson reported the wrestlers were exhausted before the competition began and did not wrestle any where near their potential. In spite of their sub-par performances each of the wrestlers won at least one match. Chowan scored 4 and three-forths points in the national tournament.

Mike Ferrara (142) 2-2 finished in the top 8 and narrowly missed All-American status.

Coach's Comments

"Naturally I am disappointed that the wrestlers did not win national honors, but I am extremely proud of each of them. They had outstanding seasons this year against tough competition. Mike (23-5) and Roger (21-6-1) are Freshman and will be returning next season. Dan (20-5) this year and (49-12) for the past two seasons is Chowan's only two time Regional Champion. He was also Chowan's 1976-77 "Most Outstanding Athlete". They were the back bone of this year's 11-6 season, the first winning season in the history of the school, and enabled Chowan to capture third place honors at the Mid-Atlantic tournament.

These young men are outstanding athletes. They will continue to bring recognition to themseleves and Chowan College each time they step on the mats!"

Front row - Dexter Coward, Jim Estelle, Bob (Fish) Trout, Jimmy King, Allen Porter, Riccardo Thompson, Dancil Millage, Kevin Radcliff, Ray Williams, Robert Trojack, Dennis Roberts, Terry McLaurin.

The year started with Cross Country and with hardly a days' break, the Braves were off again not only running but also jumping, vaulting and throwing, and doing a good job at it too.

The rest of the time was spent in constant practice that was rewarded after practically every meet with another win. This just goes to show that hard work and talent can go a long way.

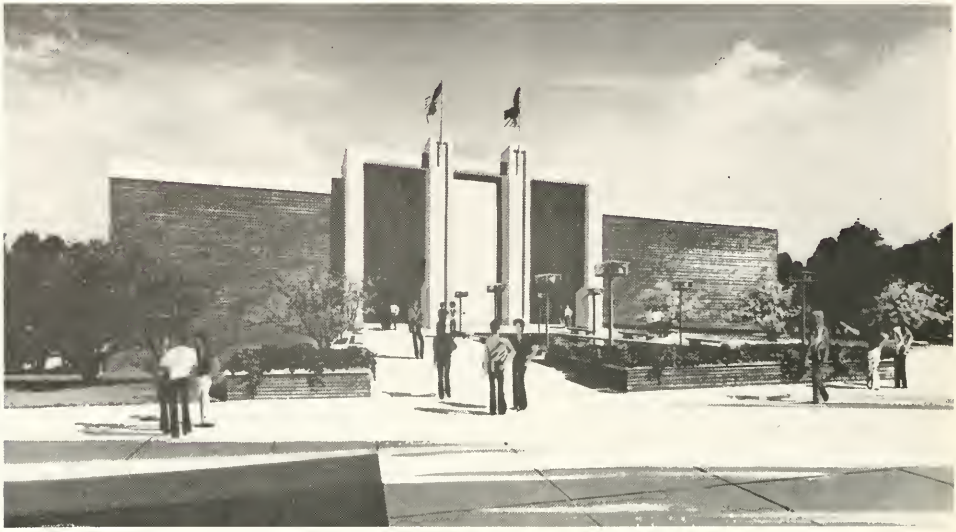
A Look at the Future



The New Physical Education Center

With the building of the new Gymnasium-Physical Education Center, Chowan will have succeeded in rounding out the major construction items of the Master Plan, which was set in motion in the early days of Dr. Bruce Whitaker's administration. Over the years, the Master Plan has been under constant study and review, and at every five-year interval, it has been thoroughly updated.

From the earliest days of Chowan, physical education has been an important part of college life. In the mid-nineteenth century, young ladies of Chowan were taught "physical culture." The College recognized then as today the importance of increasing an individual's capacity to live life more fully through enrichment of the whole person: MIND - BODY - SPIRIT.

The many features of the new Gymnasium-Physical Educatin Center will increase Chowan's ability to train young men and women for their future lives. These features include: three basketball courts, seating for 2,500 to 5,000 people, two classrooms, weight roon, wrestling room, locker rooms (including lockers for faculty), office space, four non-regulation courts (handball and paddle tennis), steam bath, sauna, therapy room, laundry room, storage, and an Olympic size swimming pool.

The new center promises to be an important and needed addition to the campus of one of our nation's leading two-year independent colleges.

Besides being of direct service to the College, the new Gymnasium-Physical Education Center should provide a handsome and modern facility for visiting church and camp groups, and the community at large. In itself, the ability to seat 2,500 to 5,000 people will be a valued asset for the educational and cultural life of the College and the surrounding area.

The present, outdated facility.

'Roasting' Honors 20 Years of Coaching

Coach Garrison and family admire the framed tribute.

Coach Hawkins and his wife proudly read the tribute.

Veteran Chowan coaches Jim Garrison and Jerry Hawkins captured their 100th football victory with the Braves 19-16 win over Wesley College on Garrison-Hawkins Day, November 5, and were honored guests at a "roasting" after the game in the college cafeteria.

Garrison, the Braves' head coach, and Hawkins, assistant, are completing their 20th campaign with the football team at the close of the 1977 season.

Garrison, also coaches tennis and serves as athletic director and chairman of the Department of Health and Physical Education. Hawkins coaches baseball and is a professor of physical education.

Framed tributes were presented the coaches by Chowan President Bruce E. Whitaker. Dr. Whitaker said they "have made a lasting impression on the players they have coached, not only in football but other sports as well."

Whitaker said the two coaches "have helped many young people find themselves during their Chowan experience." He added, We are happy to honor them today before many of their former athletes and many other friends."

Under Garrison and Hawkins, Chowan has had seven winning season, including this year, since 1969. The 1970 squad finished 8-1 and won the Region 10 championship. The 1974 team was Region 10 tri-champions with an 8-2 record. Garrison was named Region 10 coach of the year in 1970 and 1976.

THE

Student Activities

S G A

The SGA is the Student Government Association and consists of the student body represented by elected officials. The SGA is a multifaceted organization. The main objective of the SGA is to serve as the voice of the students. The SGA sponsors many events including dances, movies, and the spring festival.

The SGA's most important function is legislative. Campus Wide Open House is an example of such legislative action.

The executive branch of the SGA consisted of Sam Clark (president), Ken Dobler (vice president), Debra Lynn Simms (secretary), Tom Smetts (treasurer), and (social co-persons) Joanne Jones and J. G. Byrum.

Sitting: (left to right) Ken Dobler, Sam Clark, Joe Desmond, J. G. Byrum, Michael Layell. Standing: (left to right) Lari Helfand, Mr. Collier, Randy Pope.

W R A

The Women's Recreation Association offers a varied program of athletic and recreational activities for women under the supervision of the Department of Athletics. Intramural competition was held in volleyball, basketball, softball, tennis, badminton and swimming.

BSU-CCF

The Baptist Student Union-Campus Christian Fellowship was formed to challenge the religious interests and meet their needs. Opportunities for effective service, spiritual growth, and social fellowship were provided for the members. of the BSU-CCF. Under the leadership of Dr. R. Hargus Taylor the BSU-CCF had a very active year.

The members are: (seated) David Dawson, Matthew Hicks, Steve Johnson, Robert Simmons (standing) Mike Gosnell, Charles Nottingham, "Priscilla", Jean Sexton, "Leo the Lion", Douglas Duggan, "Bernard", James Baker, Marcia Taylor, "Herman", Randy Bauguess, Tyler Burkett, and Michael Layell.

The Photography Club is made up of students interested in photography and its tools and techniques. This year the Photography Club held a Photography Seminar which presented several guest speakers.

The members are: (front row) Charlie Gupton, Landy Taylor, (2nd row) Patrick Fields, Glen Barker, Randy Lenier, Pat Wright, (3rd row) John Meadows, Layne Palmer, Carol Beasley, Rotrout Mertz, Cindy Lee, and Matthew Hicks.

Phi Theta Kappa

The Phi Theta Kappa is a national, honorary, scholarship fraternity for the junior colleges of America and is open to students with a three point average, who are recommended by a faculty committee and approved by the student members of the organization.

Sociology Club

The Sociology Club, a service club for the community, had an active year. In the late fall, the club worked with the CADA (Chowan Area Development Association) stapling plastic over windows, to provide a warmer place for many underprivileged families. They also raised money to take a trip to Washington, D.C.

Alpha Pi Epsilon is a National Secretarial Honor Society for secretarial students who make a three point-plus average in their studies. Making cakes for all occasions was one of the successful projects performed by the club this year. The cakes were delivered personally by an Alpha Pi Epsilon member on the day designated.

Sponsor for Alpha Pi Epsilon is Mrs. Patricia B. Edwards; president, Debbie Bazemore; vice president, Sherri Clouser; secretary, Cindy Harris; and treasurer, Barbara Revelle.

Science Club

The science club was formed to further the study of science oriented students. The club had planned to take a camping trip but because of unfortunate weather the trip was canceled. The club had a lot of fun planting various trees in and around Murfreesboro.

Standing — Gilbert Tripp (sponsor), Andy Clark, Robert Trojack, Rick Tharrington, Johnny Hawthorne, Bob Simms, Jim Oehrl, Becky Bridges, Emma Kay Nelson; Sitting — Mike Bridges, Cheryl Perkins, Daniel Fuchs, and Lori Brasington.

The SNEA (Student National Education Association) was formed for students interested in educational jobs. The club was involved in a variety of money making projects to pay for their membership in the national organization. The members got together every Wednesday night to play bridge and break the monotony of the classroom scene.

Touring Choir

The Chowan Touring Choir is a selected group of students, who auditioned from the College Choir. The choir toured South Carolina and Florida as well as giving several concerts during the year.

Chowan Choir

The College Choir is made up os students interested in choral music. The choir met twice a week for rehersal and gave a fall and spring concert.

Stage Band

The Chowan College Stageband entertained many with their performances at pep rallies, chapel services, special programs and in many places throughout the Murfreesboro area. Under the direction of Bob Brown the band practiced hard but had a good time.

RA's

The Resident Assistant plays an important part in Chowan's dormitories. Their job was mainly to keep order on the hall, make sure the noise was kept low during study hours, and to give out call downs to those who disobeyed the rules. The Resident Assistant is a big help to the boarding student.

Halftime Festivities

Alumni dinner, a victorious football game, the election of a queen and princess, a "Victory" dance, bonfire, and band competition, are some of the events which constituted Homecoming day October 22. The highlite of the Homecoming festivities was the crowning of the Queen and Princess. The girls were chosen by the student body. The freshmen girls were candidates for Princess, and the sophomore girls had the honor of running for Homecoming Queen. Dr. Whitaker presented Freshman Carrie Pitman with the title of Princess, and Mary Overman was crowned queen.

The Homecoming bonfire-pep rally was held Friday night before the big game. The Chowan Stage Band and singers performed under the direction of Bob Brown. The spirit that the Chowan students displayed Friday night helped the Braves achieve a victory at Saturday's game.

Visiting Bands Compete

As music drifted across campus in the morning hours of Homecoming Day, eleven Marching Bands competed for honors in the "Festival of Marching Bands."

The bands participating in Class A were: West Craven High School from Vanceboro, NC, Roanoke High School from Robersonville, NC, Nansemond Suffolk Academy located in Suffolk, VA., John Yates High School, also in Suffolk, VA., Murfreesboro High School from Murfreesboro, NC, Bertie Senior High School in Windson, NC, Manteo High School from Manteo, NC, and Currituck High School from Barco, NC, In Class AA, only three bands participated, Ahoskie High School from Ahoskie, NC, Washington Senior High School in Washington, NC, who won first place in both classes, and Williamston High School at Williamston, NC.

Washington Senior High won first place in the AA Class and took first place honors in the Marching Competition in both classes. They presented the pre-game performance.

Currituck High School, who presented the half-time entertainment, was selected as "The Band of the Day".

Chowan's 1977 Spring Festival was unique in that it was attended by a small group of "Peaceful Demonstraters". The Demonstration, led by an enthusiastic Fred Midgett, got its start when a decision by the Southern Baptist Convention cancelled an Atlanta Rhythm Section concert that the students had planned for a Sunday afternoon. Many students did not feel a full explanation was given as to the reason for this decision.

Although this decision sparked the demonstrration, the main reason for it was to show the administration that some students felt the adminstration was not open enough to the students.

"Mother's Finest" Performs

The Chowan 1977 Spring Concert will long be remembered by the names "Fresh," "Phinneus Taylor," and "Mother's Finest."

Phinneus Taylor started off the night with a combination of country rock and rock and roll. Fresh's performance ended with a slight accident when a portion of the stage collapsed. The stage was quickly repaired and Mother's Finest was on, performing their last songs in the rain. "Mother's Finest" ended the concert night in a burst of white smoke.

The candidates of the Spring Festival pageant had a very busy schedule. The girls were judged not only on their talent, but also their poise, beauty, and personality.

Dr. Bruce Whitaker awarded the title of queen to Cheryl Maxine (Peaches) Gantt and Sherry Lee Sellers was crowned princess.

President Welcomes New Students

President and Mrs. Whitaker held a reception in their home for new and transfer students. Refreshments were served and the students were given the opportunity to mingle on the lawn, where Neil Peterson entertained them with music. The affair gave students the chance to meet some of the administration, and also get acquainted with other students.

Performance Entertains Students

Halloween was an evening of fun, and excitement, especially in Belk dorm. Phyllis Greer, social chairman for Belk, headed the Halloween festivities. Witches, haunted houses, candied apples, and the decorated door contest contributed to make it a spooky night for everyone.

Students Come To Chowan

The 1977-78 school year at Chowan started off on a good foot. Students began moving in Sunday afternoon, August 21, looking forward to meeting their roommates, and getting acquainted with the college. The BSU-CCF served watermelon on the lawn of Squirrel Park where new friendships were made.

1. Students enjoy the watermelon which the BSU-CCF provided. 2. A hungry student gets a piece of watermelon. 3. Shema Payne leans against a tree while eating her watermelon. 4. Dickie Spencer helps one of his friends move in.

The girls of Chowan College were given the opportunity to prove their football skills in the powder-puff football game. After many hard practice sessions the Belk team faced the Jenkins team in the college's football stadium. Both teams played well, but in the end Jenkins came out ahead with a 7-0 lead.

DEPARTMENTS

The Department of Business

Andrea T. Eason

Patricia B. Edwards

Elizabeth L. Francis

Hattie R. Jones

Rachel N. Pittman

The purpose of the Department of Business at Chowan College is to provide young men and women with the necessary specialized training to meet the demands of today's business world.

Not Pictured
Thomas E. Ruffin, Jr.
Acting Chairman

Dorothy A. Wallace

L.M. Wallace, Jr.

Mrs. Eason takes advantage of the visual aids available to capture students' interest.

It is our plan to schedule one major event for our students on campus, as well as for prospective students, each semester. "Horizons In Business" has proven most successful for the fall semester. We are now in the planning stages of sponsoring an event similar to "The Women — A Professional" which will afford our students first-hand information as to the various types of professions available to the successful woman of today. Then, too, from time to time we have various professional people talk with groups of students enrolled in business curricula, both in and out of the classroom, about various specializations in business.

We now provide more than twelve programs in business. Needless to say, it is our intention to provide a curriculum that fits the needs of each individual interested in collegiate business. We anticipate in the near future new directions in the computerization of accounting, economics, data processing, and even secretarial administration courses. We must have access to 'on-hands equipment' within our departmental area so that our students will at least be acquainted with the very latest concepts.

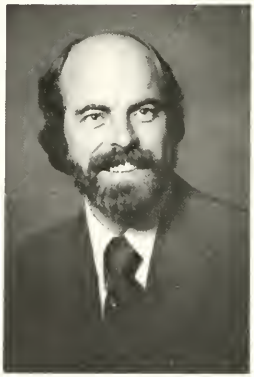
Being acting chairman of the Department is not an easy job. Nothing remains "status quo" in business; our progress must constantly be updated. There are not enough hours in the day for us to meet all the needs of our particular situation. Teaching . . . administration . . . personel.

The Department of Fine Arts

James M. Chamblee
Chairman

Douglas E. Eubank
Head of the Division of Art

Hugh R. Middleton, Jr.



Stanley A. Mitchell

David W. Parker

The Department of Fine Arts includes music, drama, dance and art.

In the past, choirs have performed at public schools and Senior Citizens Clubs. Instumental and vocal ensemble groups have been formed by students, faculty and community members.

Each year, approximately eight concerts are given at the school, either by visiting performers or our own individuals or groups. All of these are sponsored by the department. In February a Youth Choir Festival was hosted by the department, for church choirs within the area. A weekend workshop and concert was performed by a Barber-Shop Quartet, in April. The Touring Choir went down to Florida, South Carolina, and North Carolina for their spring tour.

Mr. Brown's stage band has performed not only at the school, but also at parades and various community gatherings.

The two professors of piano, Mr. Middleton and Mrs. Nicholson, teach and occasionally judge performers. This semester, they will both be included in the judging at the National Piano Guild.

A new drama program is hopeful for the fall semester of 1978. Dr. Chamblee would like it to become active within the Fine Art program.

Dance classes are being re-vitalized at Chowan, once again. This semester it includes one college class and six community classes of Modern Jazz. By next semester, it is possible that there will be larger classes with more student participation.

There is a chance that an advanced ceramics class will be introduced to the Art program. Field trips to New York galleries, the Crysler Museum in Norfolk, frequent exhibitions in the school's own gallery, films and picnics, are some of the events sponsored by the Art Department. The Roden Gallery of Baltimore, exhibited works in the fall, and in February, Grumbacher, an art supplies manufacturer, held a workshop on their materials, supplies, and the use of them. Both the teachers and the students form a closely knit family, and they enjoy their time together.

The Department of Graphic Arts and Photography

Dwight G. Collier

Herman W. Gatewood
Chairman

James B. Graham

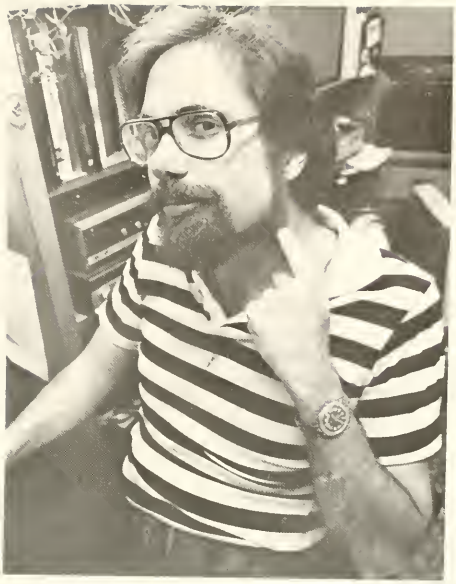
Marianne P. Jackson

William B. Sowell

Not Pictured
William C. McAllister

Kenneth M·Murray

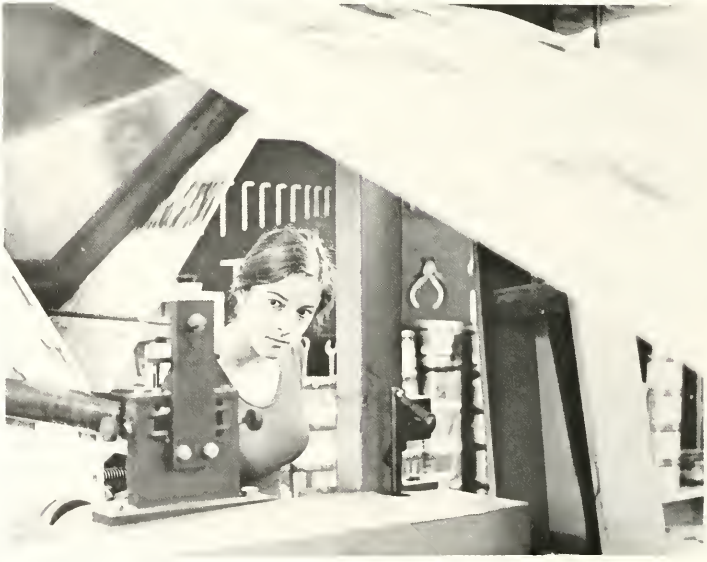
Mr. Collier appears to still be enjoying Chowan after two years here.



Being a photographer, Mr. McAllister does not find much time to sit down and take a break.

Herman Gatewood, Chairman of the Graphic Arts Department, fails to impress Bill Sowell and Dwight Collier with his remarkable display of strength.

Mr. Graham is new to the department this year. He is a professor of newswriting and is the advisor to the school newspaper. Below: Kenny Britt works on the Linocomp and Elizabeth Rice observes the News King.



Courses offered in this department include a two-year degree in Printing Technology, Photography or Newswriting, which is the latest addition to the curriculum. A one-year diploma in Word Processing is also available.

The only club within this department, is the Photography Club. It is open to any interested students.

An historical association is trying to set up a replica of a colonial print shop here in Murfreesboro, and they are also attempting to do the same in Conway, a town nearby.

The Department of Language and Literature

Undine W. Barnhill

Betty N. Batchelor

Anna Belle Crouch

For those students with a wider, willing interest in literature, there is a literary club which meets monthly. Outstanding writers and poets are read and discussed.

With increasing student need, and the feeling of a challenge in classroom work, enrollments are decreasing. With the reduced standards and abilities of high school requirements, and the increased college entrance requirements, the English department is having a rough time covering all of the students needs as well as they would like to.

Kenneth G. Wolfskill
Acting Chairman

In all of the English classes, the major textbook is usually followed. Recently Mr. Wolfskill, who is acting chairman of the English Department and a professor of sophomore English classes, introduced a novel for outside reading in his course.

This year there is a new creative writing course offered by Mr. Mulder, for one hour of credit. The class is comprised of sincere students who are approved by the teacher. Mr. Mulder has had much of his own writings (mostly poetry), published quite often.

The two foreign languages taught in the language department, are French and Spanish.

In the last few years, two different methods of teaching have been formed. The first one is the traditional translational study of prominent works of famous authors with philisophical ideas, objective approaches and with varied values. The translational courses are designed to meet the special needs of the students.

The second method is a free conversational approach, where the students work at their own rate, interests, and according to their own vocabulary. It is an enjoyable class. Says Dr. Felker, "I think they (the students) meet their need and I am terribly pleased."

At the moment, A Great Books Discussion group has been started. The members included the faculty and the community. It is hopeful that students will be involved soon.

Next year, a Foreign Film Festival might be possible.

The Department of Mathematics

Wesley L. Shrewsbury

Brownie Stancil

Norman E. Wooten

The math department offers a learning laboratory from 2:00 - 4:00 every Monday through Thursday. This lab is designed to help those students who are in need of extra attention, in order to understand their course. Both professors and students work with these students.

On March 10, the Mathematics and Science Departments held a math-science day for high-school students within the community.

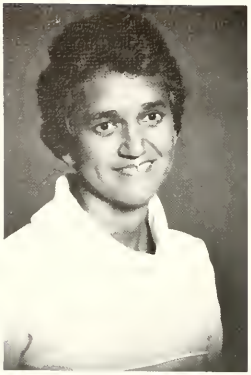
The Department of Physical Education



Janet A. Collins

Linwood S. Ferguson

James G. Garrison
Chairman

Jerry Lee Hawkins

There have been several changes made in the Physical Education Department this year.

Dean Roy Winslow took over coaching the women's softball and basketball teams this season and Coach Jerry Smith became the men's basketball coach. Both coaches had a very successful first year.

Coaches Jim Garrison and Jerry Hawkins completed their twentieth year as the Brave's football coaches.

Mrs. Janet Collins' varsity volleyball team captured third in the tournament in Raleigh again for the second consecutive year.

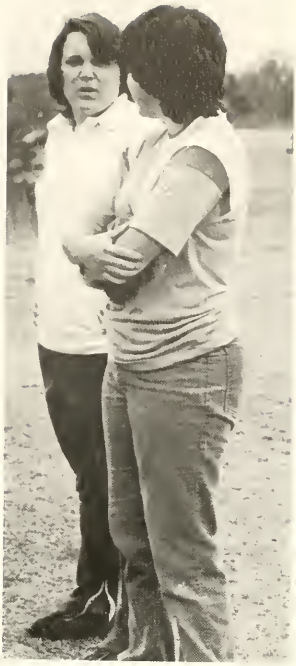
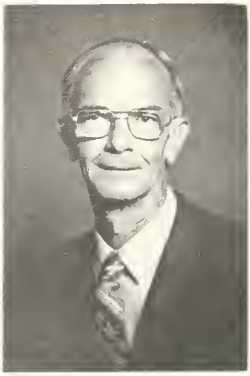
Coaches Hawkins and Garrison celebrated their 20th year at Chowan this season. As is obvious by the small pool, everyone looks forward to the new gymnasium.



The Department of Religion and Philosophy



Earl H. Parker

Daisy Lou Mixon
Chairman

Esther A. Whitaker

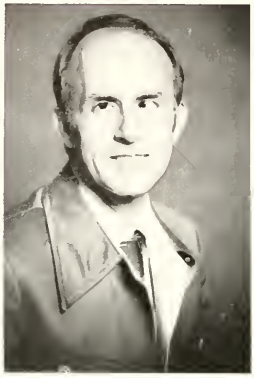
In addition to philosophy, and the old and new testament courses, an honors religion course was introduced within the last few years. Since most schools will only accept 6 hours of religion course credit hours, no other classes will be added. Every other year, the department sponsors a traveling seminar to Israel (Palestine), during the Christmas holidays. One professor travels with the students, and these students recieve 3 college credit hours.

All of the professors are active in church functions, and they are often asked to speak at various community meetings. Most of them have studied in Israel for several months at a time. This has benefited their backgrounds and teaching knowledge.

Chaplain Taylor sponsors a Christian Campus Fellowship Club, Religious Emphasis Week, and a Ministerial Alliance Club.

Dr. Parker, of the Religion Department, finds time to sample some refreshments at a campus reception.

The Department of Science



James B. Dewar

Garth D. Faile
Chairman

John P. Harris

George L. Hazelton

Gilbert A. Tripp Jr.

Courses in the science department include biology, physics, chemistry. Free hours for help, in an open door policy, are available, as in all departments.

No new course is known of as yet, but with student interest, one may evolve by next fall.

The department sponsors a Science Club, which is directed by Mr. Tripp. Among other activities, students may also work in the green house.

Co-operation is under way with the community, towards a waste-treatment project on the lagoons within this area. The major obstacle is time.

Linda E. Tripp

Few students are aware of the nature trail that cuts across from school to Highway 11. The path was built several years ago by a few science students. It obviously took a lot of work and students are encouraged to take care of it so it can continue to be used. It is nice to be able to put away the world for a while and get back to nature.

The Department of Social Science

John W. Gosnell

Charles L. Paul

Warren G. Sexton
Acting Chairman

All of the courses in this department use film-strips, and movies, along with the textbook. Both Mr. Paul and Dr. Gosnell have introduced a workbook to use with the main text.

In relation to the General Survey Course, common to all colleges, the classes in the social science department are transferable. The department is limited to offering only freshman and sophomore programs, since most senior institutions will only accept those particular classes in a transfer.

The department sponsors a sociology club, which is headed by Dr. Gosnell. This club is involved in community help, such as putting up winter storm windows. There is also an International Students Club, with Mr. Paul as the leader.

In the past, local congress persons and others, have visited the school to speak to several of the classes. Through a co-ordinated rotating program affiliated with other colleges, the department sponsored a scholar to come visit from MIT, and speak on Psycho-history.

Dean Franklin Lowe and Mr. Charles Paul are both professors in the department of social sciences. They both are involved in campus functions like ballgames and receptions.

Dr. Bruce E. Whitaker — President

Dr. Bruce E. Whitaker was honored by the Board of Trustees and Board of Advisors in appreciation and in commemoration of his twenty years of service at Chowan College and pointed out his tremendous achievements. The latest of his efforts is the building of the new $2 million dollar Gymnasium-Physical Education Center. Mr. R. Hollowell presented the president with a plaque of appreciation and a check as a gift from the trustees, advisors, and others. Dr. Whitaker commented, "I think this is the first time during my 20 years at Chowan an event has been scheduled without my knowing about it."

Another first for the president this year was the birth of a new granddaughter. Amy Lynn Whitaker was the first grandchild born to the Whitakers. A group of Chowan students decorated the front of McDowell columns to provide a pleasant surprise for the president upon his return from the Baptist State Convention.

History In
The Making

Ronald Lee Thomas, of Dayton, Ohio, served as Chowan's Brave at all athletic events. Dressed in native costume, he fired footballs into the stands after each Brave touchdown. With a winning season, the Braves kept Ron very busy.

Belk Beauties

A commonplace scene towards the end of the school year is a lawn full of sunbathers. Once it warms up, most free minutes are used to relax behind the girl's dorms and soak up the sun.

Freshman, Susan Fletcher, moves into Belk Dorm in August.

Becky Bridgers, President of Circle K, helped to raise money for Cystic Fibrosis on Powder Puff day by selling balloons and sponsoring the game.

Remember . . .?

Is it Really all that bad? This was part of a leadership workshop for RA's.

Carrie Pitman, Homecoming Princess, and Kim Brewer of the Homecoming Court, leave the football field with their escorts after the crowning.

Faculty Are Involved —

In many school administrations today faculty tend to work only from 9 to 5. This is not the case at Chowan College. Faculty members put in many extra hours and still fine the time to attend college functions. They attend most athletic and social events on campus. Being a small school has its advantages. It works to involve the faculty and students in campus life.

Pennington Heads Fund Drive

Col. Pennington is heading the fund drive in Murfreesboro for the $2 million dollar physical education center. To date, over $1 million dollars has been collected. If things continue to move in such a positive direction future Chowan students will have a new modern gym facility within the next few years.

Four Named To All Coastal Conference Team

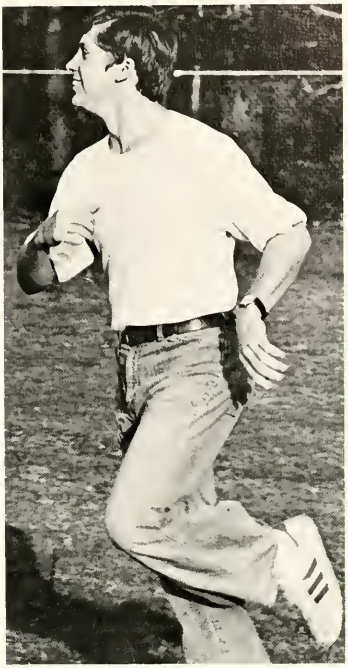
Four Chowan College football players have been named to the All-Coastal Conference team.

Chosen for the offensive team were tight end Bruce Bryant of Beltsville, Md., and tackle Ken Dobler of Virginia Beach, Va.

Named to the defensive team were nose guard Claton Crosby of Walterboro, S.C., and free safety Jerry Holmes of Hampton, Va.

Lisa Stanley was one of the Powder Puff football girls from Belk dorm.

Coach Winslow Has Winning Season



Mr. Ben Sutton took time off from the school's business office to co-coach Belk Hall girls in the annal Power Puff game. Unfortunately, Dean Roy Winslow's Jenkins team scored a touchdown in the last few minutes of the game to win.

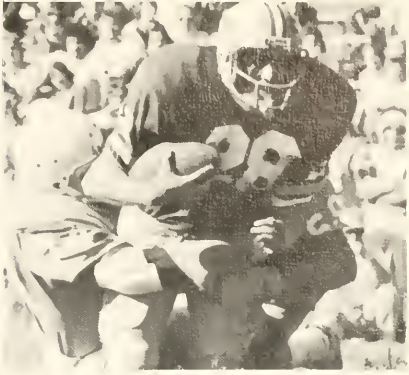
Hays Foscue of Kinston, N.C. was the punter for the Chowan Braves

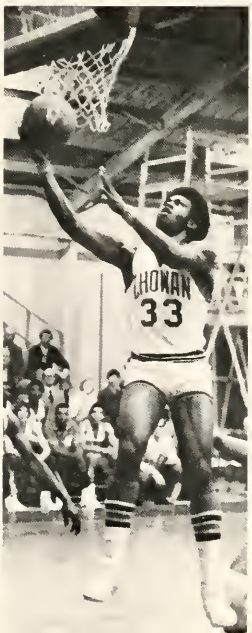
William Thrall is perhaps the most dedicated skate boarder on campus. Regardless of the weather, he can usually be found in front of Whitaker Library practicing stunts for hours on end.

Athletics Get Everyone Involved



Athletics at Chowan do not necessarily mean varsity sports. Warm weather brings out the skateboards, the frizbees in Squirrel Park, and the bikes out of storage. People head to the river for a quick cooling off on hot days.

This past year has proved successful for the varsity sports. Football came up with a winning season and the Lady Braves grapped third in the volleyball tournaments in Raleigh. Dean Roy Winslow took over coaching girl's basketball and softball and Coach Jerry Smith from Bertie County led the men to the school's first conference championship in basketball. Coach Smith will also be coaching the spring tennis team.



Scholarships Established Honoring Two Coaches

Scholarships in honor of Jim Garrison and Jerry Hawkins have been established at Chowan College.

The scholarships, "Garrison Football Scholarship," and "Hawkin s Baseball Scholarship," will provide $100 annually to the outstanding freshman student athlete in each of the two sports, according to Chowan President Bruce E. Whitaker.

Whitaker said the $100 is applicable to the student's fees in his second year of study at Chowan. He said he was very pleased the scholarships had been established by action of the Executive Committee of the Board of Trustees in honor of the two veteran coaches who are in their 20th year at Chowan.

Chowan's president said they are very deserving of this recognition and honor. He encouraged those who are interested to make a contribution to help fund the scholarships. He said a minimum of $2,500 will be needed to endow each scholarship and provide the $100 annually from the income.

Variety Finds Chowan's Campus

James Richardson plays the bass guitar in the Chowan stage band. A sophomore music major, he has performed on many occasions. The chapel assemblies are always better attended when the students know Mr. Brown and his band are going to perform.

Sherry Phelps, assistant head resident of Belk Dorm, and Aaron Tucker of West Dorm, proved themselves to be talented musicians. They are often called upon to share their talent at campus functions.

Gil Morgenstern, Violinist

Chowan College had the pleasure and privilege to hear the young violinist, Gil Morgenstern, on Thursday, September 29, in the McDowell Columns Auditorium. Morgenstern is presently preparing to make his debut in Europe and North America, and will continue to concertize throughout North America. He is a graduate of the Julliard School of Music in New York City.

Morgenstern presented the concert goers with a diverse program, which easily pleased the most discriminating musical tastes. His program consisted of: *Sonata in A Major, OP 12 No. 2* by Beethoven, *Sonata No. 3 in D Minor, OP 108* by Brahms, *Poeme* by Chausson, *Caprice Viennois and Tambourin Chinois* by Fritz Kreisler, and *Introduction and Rondo Capriccioso, OP 28* by Camille Saint-Saens.

Morgenstern played a movement from a Schubert Sonata, as his encore, to end a beautiful program.

Above: The Chorus provides an annual Christmas concert for the Chowan community. Below: One of the members of "Mother's Finest" sings in the spring concert. Above right: Sherry Phelps, Charles Dickson and John Meadors, ham it up in Squirrel Park.

Patty Woodland entertained the audience with her piano talent during Spring Festival.

Homecoming Headlines

The halftime show was highlighted by the crowning of the homecoming queen. Mary C. Overman, a sophomore from Newport News, was crowned the queen by President Bruce E. Whitaker. The freshmen princess was Carrie M. Pitman from Virginia Beach. Other festivities included the performance of the winning bands from the band competition held that morning in the football stadium.

Fire Destroys College Barn

A barn in a wooded area of the Chowan College campus was destroyed by fire early Thursday. The structure was a landmark on the college property, and for several years has been used as part of an outdoor recreation area for students.

Murfreesboro firemen extinguished the blaze before it spead into the woods around a nine-story men,s dormitory and tennis court complex

Raleigh News and Observer

Joseph Swift dips into some classical music.

Chowan scores again!

Hugh Dillon appears to be calling more attention to his "lack of attire" than to his sign. Actually he was one of the protesters at the spring festival boycott.

Highlight Meals Set Monthly

The Cafeteria Committee met September 9th and chairman Ben Sutton told those present that at least one "highlight meal" such as steak would be served each month.

He also stated that the college was trying to buy a grill large enough to cook the number of steaks required. A new convention air-type oven has been ordered that will solve many problems including food preparation time.

One of the major complaints of students was the lack of ice during the hot weather. Mr. Sutton explained that all of the ice machines broke a week prior to the opening of school. Only one machine is in operation now, however new ones have been ordered.

One student complained about the number of flies in the cafeteria. It was said that the fly chaser fan has been broken for a long time.

Replacement costs for broken and stolen utensils usually ranges from $200 to $250 per week. Several incidents of childlike behavior, such as students throwing glasses at the drink machine or deliberately throwing them on the floor were reported. One girl received a cut leg from a glass that broke near her. The cost of replacing these items comes directly from the food budget.

Mr. Sowell, a regular patron of the cafeteria, said the system of checking I.D.'s should be more consistent. He has observed inconsistency in I.D. checking, and felt that the system became lax when I.D. checking broke down. He also thought that students should be made aware of all cafeteria problems resulting from faulty equipment.

Cafeteria management is now under the college and catering services are no longer used. A new manager, Mr. Thompson, and assistant manager, Mrs. Hargrave, have also been acquired.

Female Officer Now on Force

Jean Marie Bilskie has been named Chowan's first female Security Officer by the Department of Safety and Security. She previously served this position at King's Dominion in Virginia.

Chief Ron Reams also said that a Crime Prevention Unit of the Murfreesboro Police Department will be presenting a Crime Prevention program to the various residence halls soon.

Captain William D. Kent, Jr. now lives in West Hall room 313, but his telephone number is the same. Officer Elmore Whitley has been transfered and now has two responsibilities, enforcing parking regulations and keeping the vending machines in full and working order. New officers on the midnight shift are Mal Maloney and Smith Whitley.

Spring Boycott

Last year's Spring Festival went down on record as one accompanied by student unrest. The protest was the result of students not being allowed to have a concert on Sunday night.

Every year students seem to take pleasure in dumping a piece of Chowan equipment into Lake Vann. Last spring it was the tractor that received the dunking.
